Dear Business Leader:

The Halifax area is fortunate to have a strong base of community support involving individuals, businesses, and organizations such as yours. This allows many organizations to sponsor quality programs and events that benefit the youth of our community at a reasonable cost to families. Halifax County Dixie Youth Baseball, based in Halifax County, VA, is a non-profit organization dedicated to furthering the athletic and educational opportunities for young boys and girls in our community.

We are very excited about our upcoming 2021 baseball season. Our organization promotes honesty, integrity, good sportsmanship and teamwork while allowing the youth in our county to be involved in the sport of baseball.

We would enjoy having you or your business to help support or sponsor a player or team, purchase a sign to be hung in our outfield, or donate goods or services needed by our organization. We have many children who would not be able to play because of monetary reasons. We try to keep the member registration fee low, so any child who plays on a team can afford it. It is the generosity of business and individual contributors that will allow us to succeed, and we are asking for your support.

Donations are **tax deductible**, and any amount you choose to donate is appreciated. Signs can be used as an advertisement tax deduction.

Sincerely,

Steven L. Crutchfield
